• OBJECTIVES OF THE PUBLIC TENDER CIPS 2010

GENERAL OBJECTIVES OF THE EU CIPS 2010 GRANT PROGRAMME:

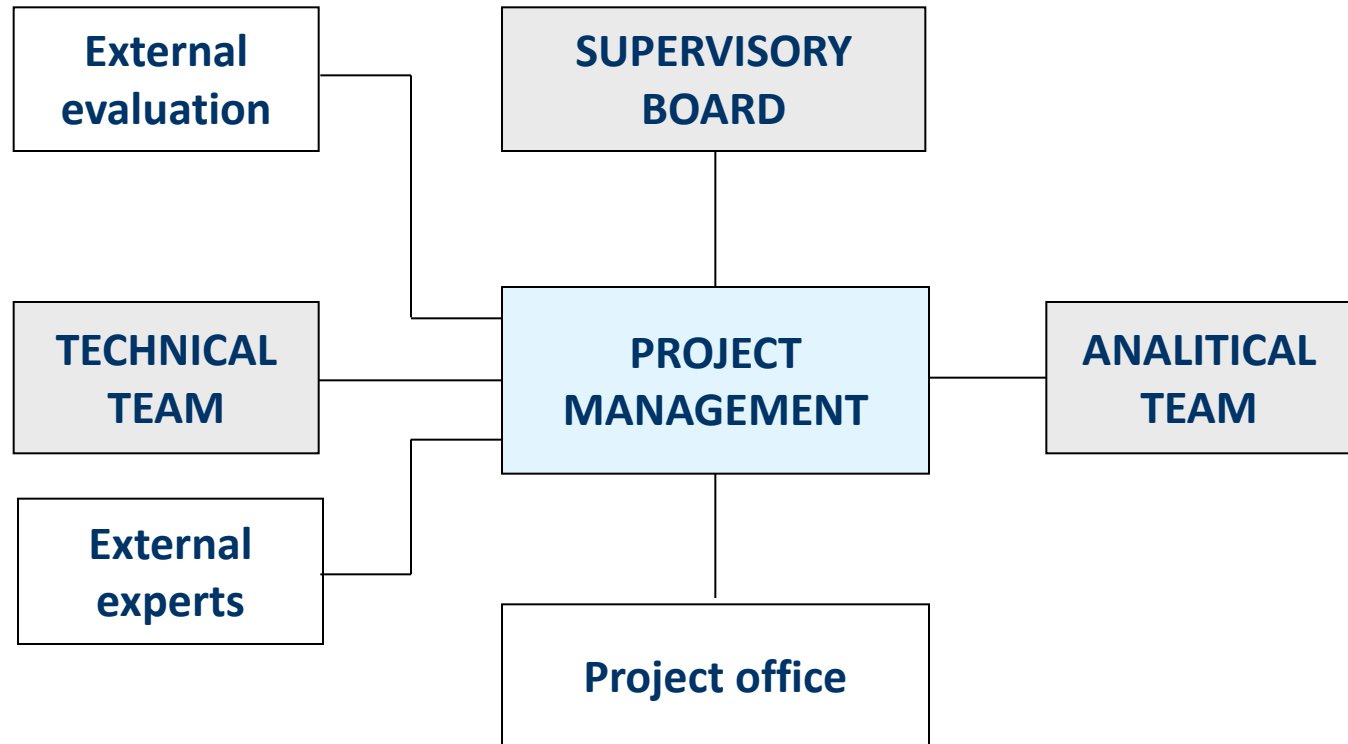

Prevention, preparation and consequence management of terrorism and other security related risks

PROJECT OBJECTIVES:

- development of integrated and multilayered GIS for the sectors of transport, energy and related ICT networks in the EU member state (Slovenia)
- development of common simulation architecture for interdependency-based criticality and risk assessment
- Interdependency-based criticality and risk assessment to identify and analyse the most critical infrastructures, multi-sectoral intersections and geographic areas of infrastructural congestions
- Identification and assessment of critical and risky cross-border infrastructural links

● IMPEMENTATION STRUCTURE OF THE PROJECT
